

Our joyful vision has continued to grow immeasurably throughout 2017. We are engaging with social media to reach individuals worldwide at lightning speed. We are active on Facebook, Twitter @AntonNicholas1 and our personal website. The website, www.antonnicholas.org.uk continues to spread the Good News that Jesus Christ is working in the lives of our family. Our YouTube productions have attracted over 95,000 views. Do watch some of the videos by searching: YouTube Anton Nicholas. These videos will demonstrate why we are so grateful for the Holy Spirit being tangible in our lives.

Our Prophetic Word for 2018 is that your Light must shine brightly to be an effective personal evangelist. In 2018 our Lord is anointing His people to draw in the lost and desperate who are longing for someone to talk to. He is emboldening us to invite them to join us in prayer and adoration. The desperate messages we are receiving from many who are being mentally challenged are prompting us to become personal evangelists. Pray and prophesy that you will become a personal evangelist for Christ Jesus.

Our vision of urgent personal evangelism began in Kuala Lumpur, Malaysia in May 2017 when we met a total stranger at the airport. Her testimony was via a text message: 'I really liked our chance encounter. I also like to believe our meeting is not coincidental. Meeting you gave me a sense of peace and the love you have for even a mere stranger. This is when I see the divinity of humanity and all of us are capable of this kind of love and compassion. Thanks for being so warm and welcoming. Hope our paths may cross again someday but even if they do not I will always remember this one encounter and it will be more than enough.'
